

## **THE CRYPT TEACHING SCHOOL**

**FREE - KS2 PRIMARY**

## **HOW CAN WE SUPPORT YOUR SCHOOL?**

The Crypt Teaching School aims to work collaboratively with partner schools by actively providing support and training, helping to identify and develop key areas for improvement.

As a Teaching School we can offer support in the following areas and have a pool of excellent teachers. We are already supporting schools in the following areas:

**English, Maths, Science & MFL**

We have a team of Specialist Leaders in Education who help raise standards and improve the quality of leadership.

**Teaching School run free CPD sessions** which are aimed at primary school teachers. CPD events are published on the Crypt School media sites and e-mailed to schools.

**If you would like support in any area of the curriculum, CPD or would like to request school to school support please e-mail:
