#### 1. Purpose of the policy

This purpose of this policy is to:

- *identify staff responsibilities in planning and managing GCSE controlled assessments;*
- *examine potential risks and issues relating to the implementation of controlled assessment for GCSE qualifications and how these might be managed and mitigated through forward planning and remedial actions.*

This policy complies with JCQ's 2016/17 General Regulations 5.8 in that the centre is required to "have in place, and be available for inspection purposes, a **written** policy with regard to the management of GCSE controlled assessments".

This policy does not cover specific *instructions for conducting controlled assessments* which are provided by JCQ and awarding bodies.

- Understand and comply with the awarding body's specification for conducting controlled assessments, including any subject-specific instructions, teachers' notes or additional information on the awarding body's website.
- Supply to the exams office details of all unit codes for controlled assessments.

- Obtain confidential materials/tasks set by awarding bodies in sufficient time to prepare for the assessment(s) and ensure that such materials are stored securely at all times.
- Supervise assessments (at the specified level of control). Undertake the tasks required under the regulations, only permitting assistance to candidates as the specification allows.
- Ensure that candidates and supervising teachers sign authentication forms on completion of an assessment.
- Mark internally assessed components using the mark scheme provided by the awarding body.
- Retain candidates' work securely between assessment sessions (if more than one).
