The Crypt School (the School) is committed to providing the best possible care and education to its pupils and to safeguarding and promoting the welfare of children and young people. The School is also committed to providing a supportive and flexible working environment to all its members of staff. The School recognises that, in order to achieve these aims, it is of fundamental important to attract, recruit and retain staff of the highest calibre who share this commitment.

The aims of the School's recruitment policy are as follows :

- To ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position
- To ensure that all job applicants are considered equitably and consistently
- To ensure that no job applicant is treated unfairly on any grounds, including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age
- To ensure compliance with all relevant recommendations and guidance including the recommendations of the Department for Children, Schools and Families (DCSF) in *Safeguarding Children and Safer Recruitment in Education* (Guidance) and the code of practice published by the Criminal Records Bureau (CRB)
- To ensure that the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

2. RECRUITMENT AND SELECTION PROCEDURE

All applicants for employment will be required to complete an application form containing questions about their academic and employment history and their suitability for the role. Incomplete application forms will be returned to the applicant where the deadline for completed application forms has not passed. A curriculum vitae will not be accepted in place of the completed application form.

Applicants will receive a job description and person specification for the role applied for.

The applicant may then be invited to attend a formal interview at which his / her relevant skills and experience will be discussed in more detail.

If it is decided to make an offer of employment following the formal interview, any such offer will be conditional on the following :

- The agreement of a mutually acceptable start date and signing of a contract incorporating the School's standard terms and conditions of employment
- The receipt of two satisfactory references (one of which must be from the applicant's more recent employer) which the School considers to be satisfactory
- The receipt of an enhanced disclosure from the CRB which the School considers to be satisfactory
- Confirmation from the Independent Safeguarding Authority (ISA) of registration within the Vetting and Barring Scheme that the applicant is not named on either the Children's Barred List or the Adults Barred List administered by ISA
- Verification of the applicant's medical fitness for the role from Occupational Health

3. MEDICAL FITNESS

The School is legally required to verify the medical fitness of anyone to be appointed to a post at the School, before an appointment can be confirmed.

It is the School's practice that all shortlisted applicants must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence and will not form part of the selection process. The School will arrange for the information contained in the questionnaire of the successful candidate to be reviewed by Occupational Health. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role, i.e. proposed timetable, extra-curricular activities, layout of the School. If Occupational health has any doubts about an application's fitness the School will seek a further medical opinion from a specialist or request that the applicant undertakes a full medical assessment.

4. PRE-EMPLOYMENT CHECKS

In accordance with the recommendations set out in the Guidance, the School carries out a number of pre-employment checks in respect of all prospective employees.

4.1 VERIFICATION OF IDENTITY AND ADDRESS

All applicants who are invited to an interview will be required to bring the following evidence of identity, right to work in the UK, address and qualifications :

- Passport
- Two utility bills or statements (from different sources) showing their name and home address
- Documentation confirming their National Insurance Number (P45, P60 or National Insurance Card)
- Original documents confirming any educational and professional qualifications referred to in their original application form

Where an applicant claims to have changed his / her name by deed poll or any other mechanism (e.g. marriage, adoption, statutory declaration) he / she will be required to provide documentary evidence of the change.

The School asks for the date of birth of all applications (and proof of this) in accordance with the Guidance. Proof of date of birth is necessary so that the School may verify the identity of, and check for

an unexplained discrepancies in the employment and education history of all applicants. The School does not discriminate against applicants on the grounds of age.

4.2 REFERENCES

(References will be taken up on short listed candidates prior to interview.)

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the School. One of the references must be from the applicant's current or most recent employer. If the current / most recent employment does / did not involve work with children, then the second references should be from the employer with whom the applicant most recently worked with children. Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. All referees will be sent a copy of the job description and person specification for the role which the applicant has applied for. If the referee is a current or previous employer, they will also be asked to confirm the following :

- The applicant's dates of employment, salary, job title/duties, reason for leaving, performance, sickness and disciplinary record
- Whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired)
- Whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people

The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials.

The School will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant and the relevant referee before any appointment is confirmed.

4.3 CRIMINAL RECORDS CHECK

Due to the nature of the work, The School applies for an enhanced disclosure from the Criminal Records Bureau (CRB) in respect of all prospective staff members, governors and volunteers.

An enhanced disclosure will contain details of all convictions on records (including those which are defined as "spent" under the Rehabilitation of Offenders Act 1974) together with details of any cautions, reprimands or warnings held on the Police National Computer. An enhanced disclosure will also reveal whether an applicant is barred from working with children or vulnerable adults by virtue of his / her inclusion on the lists of those considered unsuitable to work with children or vulnerable adults maintained by ISA. An enhanced disclosure may also contain non-conviction information from local police records which a chief police officer thinks may be relevant in connection with the matter in question.

If there is a delay in receiving a CRB certificate the Head has discretion to allow an individual to begin work pending receipt of this providing appropriate supervision is put in place. This will only be allowed if

all other checks, including a check of the Children's Barred List and Adult's Barred List have been completed)

5. CONTRACTORS AND AGENCY STAFF

Contractors engaged by the School must complete the same checks for their employees that the School is required to complete for its staff. The School require confirmation that these checks have been completed before the Contractor can start work at the School.

Agencies which support staff to the School must also complete the pre-employment checks which the School would otherwise complete for its staff. Again, the School requires confirmation that these checks have been completed before an individual can commence work at the School.

The School will independently verify the identify of staff supplied by such an agency.

6. POLICY ON RECRUITMENT OF EX-OFFENDERS

6.1 BACKGROUND

The School will not unfairly discriminate against any applicant for employment on the basis of conviction or other details revealed. The School makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record this will not automatically bar him / her from employment within the School. Instead, each case will be decided on its merit in accordance with the objective assessment criteria set out in paragraph 6.2 below.

In view of the fact that all position with the School will amount to "regulated positions" within the meaning of the Protection of Children Act 1999 (as amended by the Criminal Justice and Courts Services Act 2000), all applicants for employment must declare all previous convictions (including those which would normally be considered "spent" under the Rehabilitation of Offenders Act 1974). A failure to disclose a previous conviction may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by ISA or individuals who are considered unsuitable to work with children or vulnerable adults. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order mad eon being convicted or charged with the following offences against children : murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position with the School. If :

- the School receives an application from a disqualified person;
- is provided with false information in, or in support of an applicant's application; or
- the School has serious concerns about an applicant's suitability to work with children, it will report the matter to the Police, CRB and / or the ISA.

6.2 ASSESSMENT CRITERIA

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision :

- whether the conviction or other matter revealed is relevant to the position in question
- the seriousness of any offence or other matter revealed
- the length of time since the offence or other matter occurred
- whether the applicant has a pattern of offending behaviour or other relevant matters
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of the any of the following offences :

- murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence; or
- serious class A drug related offences, robbery, burglary, theft, deception, or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it high risk to employ anyone who has been convicted at ay time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving within the last 10 years.

6.3 ASSESSMENT PROCEDURE

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will carry out a risk assessment by reference to the criteria set out above. The assessment form must be signed by the Headmaster before a position is offered.

If an applicant wishes to dispute any information contained in a disclosure, he / she can do so by contacted the CRB direct. In cases where the applicant would otherwise be offered a position where it not for the disputed information, the School will, where practicable, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

6.4 RETENTION AND SECURITY OF DISCLOSURE INFORMATION

The School's policy is to observe the guidance issued or supported by the CRB on the use of disclosure information, but is under no obligation to do so.

In particular, the School will :

- store disclosure information and other confidential documents issued by the CRB in locked, non-portable storage containers, access to which will be restricted to members of the School's senior management team

- not retain disclosure information or any associated correspondence for longer than is necessary. Generally this will be for a maximum of 6 months. The School will keep a record of the date of the disclosure, the name of the subject, the type of disclosure, the position in question, the unique number issued by the CRB and the recruitment decision taken
- ensure that any disclosure information is destroyed by suitably secure means such as shredding
- prohibit the photocopying or scanning of any disclosure information

The School complies with the provisions of the CRB code of practice, a copy of which is available on request.

7. RETENTION OF RECORDS

If an applicant is appointed, the School will retain any relevant information provided on their application form (together with any attachments) on their personnel file. If the application is unsuccessful, all documentation relating to the application will normally be confidentially destroyed after six months.

8. QUERIES

If an applicant has any queries on how to complete the application form or any other matter they should contact the Headmaster.
